TOTAL CONSTRUCTION JOBS				471	425												

Notes:

- (1) This list is not comprehensive. Additional D.C. residents were employed on the project though sufficient backup has not yet been provided.
- (2) In accordance with DOES, Construction Jobs are defined as any position worked in connection with design, entitlement, building and oversight of the project. This includes, but is not limited to, general contractors, trade laborers, project managers, design/technical services, consultants and accountants, or anyone whose primary workload supported construction of the project.
